

Garden City

Fire Restrictions

The Garden City Town Council has adopted the following fire/firework restrictions as outlined:
The following acts are prohibited anywhere within the Garden City limits beginning June 28, 2012:

1. Setting, building, maintaining, attending, or using open fire of any kind. Devices fueled by petroleum or liquid propane gas (LPG) products are allowed in all locations.
2. Smoking, except within an enclosed vehicle, camp trailer, or building, a developed recreation site, or while stopped in an area at least three feet in diameter that is barren or cleared to mineral soil.
3. Discharging, or using any kind of fireworks, tracer ammunition, or other incendiary devices. Beginning 12:01 a.m. June 28th, 2012 discharging or using any kind of fireworks are prohibited.

All other fire restrictions, or necessary exemptions to the restrictions, will be handled through local “permits” issued by the responsible agency for that purpose.

Please be mindful of the dangers of fires.
